The Board of Education is committed to a work environment that is free of harassment of any form. For purposes of anti-harassment, the "School District community" means individuals subject to the control and supervision of the Board of Education including but not limited to students, teachers, staff, volunteers and Board members, agents, contractors, or other persons. "Third party" means any individual who comes in contact with members of the School District community at school-related events/activities (whether on or off School District property) including but not limited to visiting speakers, participants on opposing co-curricular teams, parents, and vendors doing business with or seeking to do business with the District.

Harassment consists of any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment.

The District Administrator has prepared written administrative guidelines for support staff members to follow when reporting alleged harassment. The process that will be followed when conducting an

investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

Appendix C

Insurance Benefits

Casual employees, seasonal employees, and substitute employees are not eligible for health insurance benefits.

- A. Health Insurance. The Cedar Grove-Belgium School District will pay a percentage of the cost of the health insurance premium for family plan coverage and single plan coverage as determined by the Board of Education.

Qualifying employees who have family plan coverage will be provided with a \$2,500 deposit into the Health Savings Account (HSA) on an annual basis. Qualifying employees who have single plan coverage will be provided with a \$1,000 deposit into the HSA on an annual basis. The \$2,500 family plan HSA deposit and the \$1,000 single plan HSA deposit will take place at the time of the last payroll in September (the September 30th pay date). An additional \$500 will be deposited into the employee's HSA when the employee (and the employee's family if on the family plan coverage) attains Silver Status in the Humana Vitality Program.

HSA contributions shall be prorated based on the employee's FTE.

If an employee elects health insurance outside of the open enrollment period due to a qualifying event, the employee is not eligible for the HSA contribution. If an employee elects to go off the district's health insurance plan due to a qualifying event, the employee will not be eligible for the the cash in lieu payment until the following school year.

- B. Dental Insurance. The District agrees to provide family and single dental insurance coverage for all employees employed at 75% FTE or greater. Coverage will be for a twelve (12) month period for those who complete the term of their individual contract. Employees employed at least 75%, but less than 100% FTE shall pay a prorated amount towards their dental insurance coverage.
- C. Long Term Disability (LTD). Long Term Disability Insurance will be provided by the District covering 66 2/3% of the employee's contract income and is currently taxable. The elimination period is the later of 90 calendar days or the date the short term disability ends. In order to be eligible for the LTD benefit, an employee must be employed a minimum of 24 hours per week with the exception of support staff employees who were grandfathered into the plan July 1, 2015.
- D. Upon retirement, for those employees with accumulated sick days (a maximum of 90 days that were in one's sick bank as of 6/30/16) will be paid out on the last payroll at \$40/day and will be subject to applicable state and federal income taxes.
- E. Life Insurance. The District will provide to those employees who are employed a minimum of 24 hours per week, life insurance at 1.5 times the employee's salary rounded to the next highest thousand dollars through the group life insurance program in place at the time. The District will pay the full premium.

Long Term Disability (LTD) and Life Insurance coverage will end on the last day of employment.

- F. Ancillary Products. At the discretion of the Board of Education, there may be voluntary ancillary health benefits such as vision care, accident insurance, short term disability and additional life insurance coverage that are offered to support staff employees working more than 24 hours per week. The ancillary health options can be purchased via payroll deduction from September 15th to June 30th in a given year.
- G. WRS Employee Contribution. For employees eligible to participate in the WRS benefit the Employee and the District will each contribute their required WRS contribution pursuant to state law.

H. Alternate Benefit Plan. If an employee waives the District's health coverage to participate in a non-school district health plan, the District shall provide an Alternate Benefit Plan (ABP) as an alternative to health coverage. The District's 2017-2018 payment to the ABP shall be \$2,400. The ABP payments may be sent to the District's tax sheltered annuity plan monthly as an employee contribution if requested by the employee. In order to qualify for the ABP, the support staff employee must show proof of other health insurance coverage before a payment will be made.

This provision will not apply to employees whose health coverage would continue as a dependent or any other employee on the District's health plan. The District reserves the right to revise or terminate this benefit at any time.

I. Open Enrollment Period. The Open Enrollment Period for insurance is during the last two full weeks in May on an annual basis. At this time, employees can switch from family to single plans or vice versa, or add or remove their insurance elections during this period. If an employee has a "qualifying event" he/she would be allowed to make changes to his/her insurance options as required by law. Qualifying events include: marriage, divorce, death, birth of a child, or loss of an employee's insurance coverage outside of his/her control. The District will allow employees to be taken off its insurance at any time, however employees would not be able to add insurance without a qualifying event and only during the insurance open enrollment period.
