Any member of the District community who violates this policy will be subject to disciplinary action up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against District employees.

For purposes of anti-harassment, the “school district community” means individuals subject to the control and supervision of the Board of Education including but not limited to students, teachers, staff, volunteers and Board members, agents, contractors, or other persons. “Third party” means any individual who comes in contact with members of the School District community at school-related event/activities (whether on or off School District property) including, but not limited to visiting speakers, participants on opposing co-curricular teams, and vendors doing business with or seeking to do business with the District.

The District Administrator has prepared written administrative guidelines for professional staff members to follow when reporting alleged harassment. The process that will be followed when conducting an investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

PERFORMANCE and CONDUCT

- A. Employee Evaluation: The Board recognizes the importance and value of evaluating the progress and success of both newly employed and experienced personnel. The primary goal of supervision and evaluation is to insure the best possible educational experiences for all students in the district. New teachers to the district will be formally evaluated the hiring year with all teachers being formally evaluated at least once every three years.
- B. Disciplinary Action: When the discipline of a staff member becomes necessary, such action will be consistent with the requirements of any applicable Board policy and State and Federal Law. The school or district administration may administer discipline.

Teachers may be disciplined for violations of Board policy or for other failure to meet the expectations and obligations associated to their positions. No teacher may be subject to discipline without just cause. Disciplinary action will normally follow a progressive discipline model that is designed to

correct inappropriate conduct on the part of the teacher. Progressive discipline will generally include the following steps:

1. Verbal reprimand
2. Written reprimand
3. Suspension, the length of which is determined by the administration to effect the corrective goal of discipline; and/or being placed on probation and having salary frozen, each being effective for one year
4. Termination

The teacher will be provided a letter explaining the reason(s) for the written reprimand, suspension, or termination. The letter will be filed in the teacher's personnel file.

The school or district administration may skip one or all steps in the progressive discipline model when he/she determines that the severity of the offense requires more substantial discipline, or in the case of termination, where the district administrator determines the conduct was severe and detrimental enough to require a teacher's immediate termination of employment.

C. Withholding of Increments.

1. The Board of Education reserves the right to withhold any increase to an employee whose performance is deficient (subject to the disciplinary standards of this agreement) provided notice is given before March 1 of the school year preceding the effective day of withholding.

If the deficiencies are not corrected by March 1 of the year the increment is withheld, the teacher will not have his/her contract renewed effective the ensuing school year.

The administration will recommend the most qualified applicant to the Board for employment based upon the criteria for each position set by the administration. The administration shall consider an applicant's status as a teacher in the District as part of his/her qualifications. Once the contracted employee quits or is terminated, the administration and Board will determine if there exists an ongoing need for the position. If the position is needed, the posting and application procedures will be initiated by the administration.

APPENDIX C
INSURANCE BENEFITS

- A. Health Insurance. The Cedar Grove-Belgium School District will pay a percentage of the cost of the health insurance premium for family plan coverage and single plan coverage as determined by the Board of Education.

Qualifying employees who have family plan coverage will be provided with a \$2,500 deposit into the Health Savings Account (HSA) on an annual basis. Qualifying employees who have single plan coverage will be provided with a \$1,000 deposit into the HSA on an annual basis. The \$2,500 family plan HSA deposit and the \$1,000 single plan HSA deposit will take place at the time of the last payroll in September (the September 30th pay date). An additional \$500 will be deposited into the employee's HSA when the employee (and the employee's family if on the family plan coverage) attains Silver Status in the Humana Vitality Program, and is employed as of September 30th.

HSA contributions shall be prorated based on the employee's FTE.

If an employee elects health insurance outside of the open enrollment period due to a qualifying event, the employee is not eligible for the HSA contribution. If an employee elects to go off the district's health insurance plan due to a qualifying event, the employee will not be eligible for the cash in lieu payment until the following school year.

- B. Dental Insurance. The District agrees to provide family and single dental insurance coverage for all employees employed at 75% FTE or greater. Coverage will be for a twelve (12) month period for those who complete the term of their individual contract. Employees employed at least 75%, but less than 100% FTE shall pay a prorated amount toward their dental insurance coverage.
- C. Long Term Disability (LTD). Long Term Disability Insurance will be provided by the District covering 66 2/3% of the employee's contract income and is currently taxable. The elimination period is the later of 90 calendar days or the date the short term disability ends.
- D. Upon retirement, for those employees with accumulated sick days (a maximum of 90 days that were in one's sick bank as of 6/30/2016) sick days will be paid out on the last payroll at \$40/day and will be subject to applicable state and federal income taxes.
- E. Life Insurance. The District will provide to those employees who are employed a minimum of 24 hours per week, life insurance at 1.5 times the employee's salary rounded to the next highest thousand dollars through the group life insurance program in place at the time. The District will pay the full premium.

Long Term Disability (LTD) and Life Insurance coverage will be for a twelve (12) month period for those who complete the term of their individual contract.

- F. Ancillary Products. At the discretion of the Board of Education, there may be voluntary ancillary health benefits such as vision care, accident insurance, short term disability and additional life insurance coverage that are offered to teachers working more than 24 hours per week. The ancillary health options can be purchased via payroll deduction from September 15th to June 30th of a given year.

- G. WRS Employee Contribution. For employees eligible to participate in the WRS benefit the employee and the District will each contribute their required WRS contribution pursuant to state law.
- H. Alternate Benefit Plan. If an employee waives the District's health coverage to participate in a non-school health plan, the District shall provide an Alternate Benefit Plan (ABP) as an alternative to health coverage. The District's 2017-2018 payment to the ABP shall be \$2,400. The ABP payments may be sent to the District's tax sheltered annuity plan monthly as an employee contribution if requested by the employee. In order to qualify for the ABP, the employee must show proof of other health insurance coverage before payment will be made. This provision will not apply to employees whose health coverage would continue as a dependent or any other employee on the District's health plan. The District reserves the right to revise or terminate this benefit at any time.
- I. Open Enrollment Period. The Open Enrollment Period for insurance is during the last two full weeks in May on an annual basis. At this time employees can switch from family to single plans or vice versa, or add or remove their insurance elections during this period. If an employee has a "qualifying event" he/she would be allowed to make changes to his/her insurance options as required by law. Qualifying events include: marriage, divorce, death, birth of a child, or loss of an employee's insurance coverage outside of their control. The District will allow employees to be taken off of it's insurance at any time, however the employee would not be able to add insurance without a qualifying event and only during the insurance open enrollment period.
