Criminal Background Check Procedure for Volunteers

The Elementary School, Middle School, and High School will be doing criminal background checks through the Wisconsin Circuit Court System (WCCA) for any volunteers working in the classroom or going on any field trips with school.

So, with that said – if you feel that you will be volunteering in your child’s classroom or accompanying them on a field trip, please complete the form below and return it to the office.

Each principal will only notify volunteer and teacher if they are unable to assist.

Jeff Kondrakiewicz
Elementary Principal
