

Cedar Grove-Belgium Elementary School PTSO and Classroom Volunteers Welcome

Dear Parents & Families-

We encourage family members to participate in our school programs. In fact, we recognize that parents are the primary teachers and role models for children. There are many ways to be involved in your child's elementary school experience. Please check the appropriate line(s) for ways that you and other family members, such as grandparents, would like to help with our program and return this form to school with your registration materials. You will only be contacted regarding your interested areas. If you'd like to fill this out electronically, please use this link: [Electronic Survey](#)

Thank you!
Your CGB PTSO

Please add my contact information to a database to be shared with other parents and families with children in school (often used for coordinating rides to school, classroom treats, etc.)

Room Parent (Coordinated by classroom teachers/PTSO: Assist in gathering donations for classroom activities, participating in our classrooms, and assisting students and teachers in school related matters.)
