

## **COVID-19 Field Precautionary Measures**

**Healics is dedicated to stopping the spread of COVID-19 and providing you peace of mind during your biometric screenings at the workplace.**

- v' Examiners will wear face masks upon entering the workplace screening.**
- v' Screeners will be sanitizing all materials and equipment used in the process after each participant is screened.**
- v' Participants should not enter the screening area if they feel sick or have any COVID-19 symptoms. A poster will be visible at the screening area entrance indicating if the participant has any symptoms to report to their Human Resources immediately and not proceed with the screening.**
- v' Examiners will use sani-wipes to wipe down all surfaces used for the biometric screening prior to the start of the event and after the event.**
- v' Any surfaces that become soiled during the event will be wiped down with sani-wipes.**
- v' Blood drawing absorbent pads will be replaced after each participant.**
- v' Blood pressure cuffs and tape measures will be wiped down after each participant with sani-wipes.**
- v' Examiners will use hand sanitizer after each participant.**
- v' Examiners will only allow one participant at a time to enter the screening area.**
